Warranty

LIFETIME SNOWLOAD WARRANTY *

Construction Services, warrants that after completion of the building by Construction Services the trusses will structurally withstand the snowloads for which it is designed.

10 YEAR ROOF LEAK WARRANTY *

Construction Services, for a period of 10 years will repair, without any charge, any roof leaks due to defects in material and/or workmanship supplied by Construction Services.

PRO-RIB WARRANTY *

Pro-Rib paint film integrity is warranted for a period of 40 years and Premium Pro-Rib and Premium Pro-Snap paint film integrity has a Limited Lifetime Paint Warranty. It will not crack, flake, chip or peel (not to be construed to include slight hairline cracking which occurs during fabrication).

LIFETIME TREATMENT WARRANTY *

Construction Services, warrants that all pressure treated poles/columns used in Construction Services' buildings, when properly installed, as vertical supports in storage sheds or similar structures will resist decay or insect attack.

WORKMANSHIP WARRANTY *

Construction Services, warrants that the building or metal roof system is free of defects in material and/or workmanship supplied by Construction Services for a period of two years.

* This Warranty takes effect, and is valid, for the original purchaser of the building on completion of building by Construction Services as outlined on Contract and Contract Payment(s) from Purchaser have been received in full.
